How to Search for Archival Materials in Primo?
How to search for archival material in Primo

Go to the library website:
www.lib.uct.ac.za
How to search for archival material in Primo

Enter your search in the Primo search box
How to search for archival material in Primo

Archival material will have a record type – Other.
Available Online refers to record and not the papers.
How to search for archival material in Primo

NB: Archival materials are not available online but in the Jagger Library Reading Room.
How to search for archival material in Primo

AtoM@UCT will show you what is available in the collection.
To access these papers or any other archival material please visit the Jagger Library reading room or, in the case of remote users, requests for digitised document delivery should be directed to renate.meyer@uct.ac.za.
For further assistance please see Special Collections Library or Email: libraries@uct.ac.za
